PARR LUMBER NAMES KEVIN SEWARD DIRECTOR OF BUSINESS DEVELOPMENT

HILLSBORO, OR (June 2, 2010)—The Parr Company announced today that Jason Behunin has been promoted to Director of Sales.

Behunin has been with Parr Lumber since 1999, most recently serving as the sales manager for the state of Oregon. With a background as a general contractor, Behunin was also instrumental in establishing Parr Lumber’s installation company, NSCi, in 2005.

“We are thrilled to promote Jason to this position. He has done an outstanding job and earned this opportunity” said David Hamill, Chief Executive Officer of the Parr Company.

Parr Lumber is the 14th largest building material supplier in the nation with one of the most respected sales teams in the industry. Behunin will oversee all sales responsibilities for the Parr “Family” of companies. Originally founded in 1930, Parr remains a locally owned and operated business today. In addition to Parr Lumber, the corporate umbrella encompasses five other companies including the Parr Cabinet Outlets (now in 5 states), Cascade Wholesale Hardware, Northwest Structural Components and Northwest Structural Components Installation and the Parr Marketing Group.

About The Parr Company: The Parr Company consists of six distinct companies providing building solutions and services: Parr Lumber Company, Parr Cabinet Outlet, Cascade Wholesale Hardware, NSC, NSCi and Parr Marketing Group.

Parr Lumber Company was established in 1930 by Dwight Parr Sr., in the Pacific Northwest and remains a locally owned family business today. Michael Parr and Brad Farmer, both grandsons of the founder, play an active role within The Parr Company and continue the proud family ownership. Headquartered in Hillsboro Oregon, Parr is ranked as the 14th largest building materials supplier in the nation. Parr proudly operates 40 facilities in Oregon, Washington, California, Arizona and Utah which include pro/retail building material yards, contractor focused facilities, and cabinet outlets.
